outpost is located in an Arctic desert."6. C: paragraph 4: "A communication satellite is also launched that is placed into a Mars stationery orbit." [note it does NOT LAND on mars]/. A: paragraph 5: "The rover can use the trailer to transport the landers to the outpost location."8. B: paragraph 5: "On Mars, the rover drives around the chosen region to find the best location for the settlement."9. B: paragraph 7: "The rover can now connect to the life support unit to recharge its batteries much faster than using only its own panels, allowing it to do much more work."10.B: paragraph 8: "Part of the water is used for producing oxygen." Do a listening test:8. The selection program proceeds with three additional rounds over the course of two years. At the end of it around six teams of four individuals are selected for training. They learn to repair components of the habitat and rover, learn to grow their own food, and train in medical procedures. The life support system is now activated. F: "He can speak 11 languages fluently and learnt one of them, Icelandic, in 7 days."2. What's so special about it?There are lots of things Cornwall is loved for; the dramatic coastline with its captivating fishing harbours; the spectacular beaches and the pounding surf that provide a natural playground for a variety of water sports; and of course the Cornish pies and cream teas. The rover picks up the first life support unit using the trailer, takes it to the right place, and deploys the thin film solar panel of the life support unit. The first outpost simulation, a Mars-like terrain that is relatively easy to reach is chosen. It also clears large areas where solar panels will lie. Water is extracted from the Martian soil by evaporating the subsurface ice particles in an oven. Answering these questions allows you to practise for the IELTS reading test. Stephen WiltshireWhen he was nine he learnt to talk but before this he had already developed a love for drawing. Yet, we don't have to read comic books to find people with super powers. B. From towering castles, beautiful gardens and places steeped in legends and history, you'll be spoilt for choice. after hearing this piece of music on the television ..." 4. 6. Castles: From towering castles, beautiful gardens. Ellen BoudreauxEllen Boudreaux is a blind autistic savant with exceptional musical abilities. These are the savants. Discover two sides of Victorian life: those 'below stairs', and those 'upstairs'." 10. "now able to play any piece of music simply by listening to it once"8. 1 Cornwall has the most .....
